[Outreach Activities](#)

Publications

Post-graduate Career Development, Education and Training

Graduate Chemistry Program
Founders' Commemoration Lectures (Birch and Craig)
PhD Degrees Awarded and Present Employment of Graduates
MPhil Degree Awarded
Postdoctoral Fellows, Research Fellows and Fellows – Completions and Destinations
Research Students
Visiting Scholars
Honours Scholars
Summer Scholar Program

Internal Management

Administrative Support Structure

Technical Support and Research Services

- ANU Microanalytical Services Unit
- Computer Unit
- Single Crystal X-Ray Diffraction Unit
- Mass Spectrometry Service
- University NMR Centre
- Carpentry and Paint Workshops
- Cryogenics Unit
- Electrical Unit
- Electronics Unit
- Glassblowing Unit
- Mechanical Workshop

Committees, Representatives, and Office Bearers

Environmental Policy

Equal Opportunity

- Comment on Gender Equity Strategies
- Student Profiles and Recruitment Plans

Interactions Across the University

- Undergraduate Lecture Courses in The Faculties
- University and School Service

Finance

- Financial Summary
- Outside Grants and Contracts

Staff

Statistics

Late Addendum G.A. Heath, Coordination and Spectro-electro Chemistry
