

Undergraduate Lecture Courses in The Faculties

Department of Chemistry, Faculty of Science

First Year

A16, A17	Dr G.A. Heath (4) Dr N.E. Brasch (4) Dr M. Schultz (4) (RSC Coordinator) Dr E.M. Sevick (4) Dr J. Petravic (4) Dr N.L. Hungerford (4)
----------	--

Second Year

CHEM2104	Dr M.J. Coster (6)
----------	--------------------

Third Year

C3102 C3197	Dr E.M. Sevick (8) Professor L. Radom (8)
----------------	--

Department of Computer Science, Faculty of Engineering and Information Technology

Mr E. Mittag tutored in the following courses:

COMP 2110	Software Design
COMP 2310	Concurrent and Distributed Computing
COMP 2600	Formal Methods for Software Engineering

Department of Physics, Faculty of Science

Fourth Year

PHYS4003	Dr J. Petravic (12)
PHYS4004	Dr J. Petravic

Division of Biochemistry and Molecular Biology, Faculty of Science

Second Year

BIOL2162	Dr N.E. Dixon (4)
BIOL2171	Dr D.L. Ollis (11)

The following research students undertook demonstrating and marking in The Chemistry Department, The Faculties:

Chem A15/A17

- L. Barr, R. Barbiellini, R. Dewhurst, H. Kitto, E. Krenske, A. Philbrook

Chem 2102

- C.R. Evenhuis

University and School Service

In addition to service indicated elsewhere (Internal Management):

Professor M.G. Banwell

ANU: IAS Representative, Admissions Committee; Member, Graduate Degrees Committee.

Dr N.E. Dixon

RSC: School Liaison Officer

ANU: Radiation Safety Committee; Liason Officer, Institutional rDNA Committee.

Professor C.J. Easton:

RSC: Chair, Board of Studies of the Graduate Program in Chemistry; Chair, Acting Dean, various periods.

ANU: Convenor, Graduate Program in Chemistry; Member, Board of the Institute of Advanced Studies; Member, Research Committee; Member, Steering Committee, National Institute of Bioscience; Member, Department of Chemistry Appointments Committee (level B/C).

Professor D.J. Evans

ANU: Member, ANU Council; Member, Academic Board; Chair and IAS representative, Consultative Committee, Centre for the Science and Engineering of Materials (CSEM); Chair, Selection Committee, Director of CSEM; Chair, High Performance Computing Advisory Committee; Chair, Supercomputer Time Allocation Committee, ANU Supercomputer Facility (ANUSF); Coordinator, ANU/Australian Partnership in Advanced Computing (APAC) Expertise Program; Coordinator, ANU Computational Chemistry and Biology Sub-program, ANU/APAC Expertise Program; Member, Board of the Institute of Advanced Studies (BIAS); Member, Anutech Science and Technology Advisory Committee; Member, Research Advisory Board, Research School of Astronomy and Astrophysics; Member, Board of the National Centre for Theoretical Physics.

Professor A.F. Hill

RSC: Head, Inorganic Chemistry; Member, Promotions Committee; Member, various appointment committees; Acting Dean, various periods.

ANU: Member, National Institute of Science Steering Committee; RSC Acting member Graduate Degrees Committee; Member, Board of the Institute of Advanced Studies.

Dr M.A. Keniry

ANU: Head, University Nuclear Magnetic Resonance Centre; *ex officio* Member, University Nuclear Magnetic Resonance Centre Management Committee.

Professor E.R. Krausz

ANU: Member, Centre for Science and Engineering of Materials Committee; Adviser, Research Integrity; Coordinator, ANU Mentoring.

Professor L.N. Mander

RSC: Head, Organic Chemistry; Appointments Committee (Level A).
ANU: Member, University Promotions Committee; Chair, MSNMR Subcommittee of Major Equipment Committee.

Dr D.L. Ollis

ANU: Visiting lecturer, Division of Biochemistry and Molecular Biology, The Faculties; Member, Board of Studies, Biochemistry and Molecular Biology Graduate Program.

Professor L. Radom

RSC: Member, Board of Studies of the Graduate Program in Chemistry.
ANU: Member, Science Library Advisory Committee (SCILAC); Member, Reappointment Committees, RSPHYSSE.

Professor A.D. Rae

ANU: Member, Radiation Safety Subcommittee–Occupational Health and Safety Policy.

Dr E.M. Sevick

ANU: Member, Major Equipment Committee (MEC).

Professor T.R. Welberry

RSC: Convenor, Dean's Prize Selection Committee.
ANU: Member, RSAA/RSES Local Promotions Committee.

Professor J.W. White

RSC: Head, Physical and Theoretical Chemistry; Member, Promotions Committee.
ANU: Member, Council; Member, University Staff Consultative Committee; Member, Board of the Institute of Advanced Studies; Member, Campus Planning and Development Committee; Member, Art Acquisitions Committee.

Professor S.B. Wild

RSC: Member, Appointments Committee (Level A); Member, Dean's Prize Selection Committee.

Dr R.L. Withers

RSC: Board of Studies of the Graduate Program in Chemistry.
ANU: Member, Electron Microscopy Unit Strategic Advisory Group.

A list of School committees, representatives and office bearers is given in the [Internal Management](#) section.
