[Dean's Report](#)

[Mission Statement](#)

[Senior Staff](#)

Research Summaries

Biological Chemistry

[N E Dixon](#)

Protein Synthesis and Evolution

[M A Keniry](#)

Nuclear Magnetic Resonance

[D L Ollis](#)

Protein Crystallography and Engineering

[G Otting](#)

Structural Biology and Biophysics by NMR

[A J Oakley](#)

Structural Biology

Inorganic Chemistry

[A F Hill](#)

Synthetic Organometallic and Coordination Chemistry

[G A Heath](#)

Coordination Chemistry and Spectro-electrochemistry

[S B Wild](#)

Inorganic Stereochemistry and Asymmetric Synthesis

[R L Withers](#)

Solid State Inorganic Chemistry

Organic Chemistry

[M G Banwell](#)

Synthesis and Mechanism

[C J Easton](#)

Biochemical Reactions and Molecular Recognition

[L N Mander](#)

Organic Synthesis

[M S Sherburn](#)

Organic Synthesis, Methodology and Host-Guest Chemistry

Physical and Theoretical Chemistry

[M A Collins](#)

Theoretical Chemical Physics

[M L Coote](#)

Computational Quantum Chemistry, Polymer Chemistry

[D J Evans](#)

Liquid State Chemical Physics

[E R Krausz](#)

Laser and Optical Spectroscopy

[L Radom](#)

Computational Quantum Chemistry

[E M Sevick](#)

Polymers and Soft Condensed Matter

[T R Welberry](#)

Disordered Materials

[J W White](#)

Solid State Molecular Science

Queen Elizabeth II Fellow

[R D Webster](#)

Visiting Fellows (Post-retirement)

[A L J Beckwith](#), [M A Bennett](#), [D J Brown](#), [J K MacLeod](#),

[R W Rickards](#), [A M Sargeson](#), [J F Williams](#)

Professorial Adjunct Appointment

[V J James](#)

Honours and Awards

Publications

National and International Links

[Collaborative Research Projects](#)

[Academic Visitors](#)

[Conference Presentations](#)

[Invited Lectures](#)

Service to External Organisations
External Lecture Courses
Outreach Activities

Post-graduate Career Development, Education and Training

Founders' Commemoration Lectures (Birch and Craig)
PhD Degrees Awarded and Present Employment of Graduates
MPhil Degree Awarded
Postdoctoral Fellows, Research Fellows and Fellows – Completions and Destinations
Research Students
Visiting Scholars
Honours Scholars
Summer Scholar Program

Internal Management

Administrative Support Structure
Technical Support and Research Services

- ANU Microanalytical Services Unit
- Computer Unit
- Single Crystal X-ray Diffraction Unit
- Mass Spectrometry Service
- University NMR Centre
- Carpentry and Paint Workshops
- Cryogenics Unit
- Electrical Unit
- Electronics Unit
- Glassblowing Unit
- Mechanical Workshop
-

Committees, Representatives, and Office Bearers

Environmental Policy

Equal Opportunity

- Comment on Gender Equity Strategies
- Student Profiles and Recruitment Plans

Interactions Across the University

- Undergraduate Lecture Courses in The Faculties
- University and School Service

Finance

- Financial Summary
- Outside Grants and Contracts

Staff

Statistics
